Pinot Blanc

Santa Barbara County

You've been invited to the wedding of a former flame, and you decide to attend, albeit with some reluctance, until you rationalize that it's the flame who's getting married; you won't be acquiring any more baggage than what you arrived with. Off to one side, somewhat shy but very attractive, is a fellow guest, most intriguing: exotic moccasins, sandalwood beads, a peach-colored vest... You're curious, you press forward and introduce yourself, the interesting guest replies, "Pleased to meet you, I'm Pinot Blanc"... and together you slide over to the hors d'oeuvres table, wine glasses in hand, for some scallop ceviche... "... and you're a geologist..." and the conversation continues...
