WINE ENTHUSIAST. SEPT
2020

Winemaker's Tasting Notes:

We work with four north-facing sites in a short stretch of the Santa Rosa Hills to create our appellation Pinot Noir. The cooler angle of light and the loamy soils, cobbled with chert stones, yield focused, ripe red fruit flavors.

The Sta. Rita Hills region benefits from the cool winds blown directly off the Pacific Ocean, ideal conditions for the development of Pinot Noir grapes.
