Winemakers Tasting Notes: *The 2018 rendition of the old vine El Jabali estate vineyard delivers aromas of fig, rose petals and violets. Further earthy and herbal notes offer a complex impression characteristic of these 35-year-old vines. On the palate, fresh, racy acidity and bright red cherry and cranberry flavors are balanced by smoky, fine-grained tannins that frame a long and satisfying finish. This vineyard is known for producing wine that evolves for years.*

Winemakers Tasting Notes: *The 2018 is a study in varietal purity. A golden brilliant color with green highlights suggests a youthfulness surprising in a wine aged on lees. On the nose, this wine is disarming in its aromas of wet stone, gravel, and citrus. Jasmine notes hint at freshness and vibrancy. On the palate, this Chardonnay is tightly wound and cerebral, with sizzling acid and a strong mineral streak. Flavors of key lime and clementine echo on the long, fresh finish.*
