WINE ENTHUSIAST

JUNE 2021

2020 Sta. Rita Hills Rosé of Grenache

94

Fruit for our 2020 Grenache Rosé was sourced from our own El Jabali estate vineyard. In the glass, this wine presents as a beautiful rose pink, with orange undertones that recall the skin of a ripe apricot. Aromatically, our Grenache Rosé shows delicate aromas of hibiscus, wet stones and melon. Lithe, refreshing acidity frames the wine on the palate, and sets the stage for a range of exotic fruit flavors—think dragon fruit, guava and passionfruit. We suggest pairing this wine with grilled squid, oysters on the half shell, or a classic Provençal fish stew.
