MARCH 2022

2019 Attente Red Wine

Sta. Rita Hills AVA, Santa Barbara County

“Half grenache, half syrah, this first release from estate-grown fruit presents both varieties at full, luxurious ripeness—achieved in the cool Sta. Rita Hills without sacrificing aromatic complexity. The wine is exotically smoky at the outset, with scents of bacon and gingerbread, clove, mace, black plum and mocha. The flavors live in a parallel savory realm, gingerbread and black plum, their mass and succulence buoyed by vibrant acidities, with enough grip to take on tri-tip.”
